

PLEASE CHOOSE ONE:

YES, Sign me up for
Webster-Calhoun Long Distance!
15¢/minute Intrastate
10¢/minute Interstate
One Bill – Local Company

I prefer a different long
distance carrier:

(Enter Name and Carrier CIC Code)
It is your responsibility to verify the
correct code and calling plan with
this long distance carrier—some
carriers have more than one code
to choose from.

No, I do not wish to have long
distance service.*

Change Existing Long Distance
Carriers

The carrier you choose will handle
all your Interstate and Intrastate
calls unless otherwise specified.

Interstate calls are those placed
outside our state.

Intrastate calls are those placed
within our state.

Webster-Calhoun Cooperative
Telephone Association

Choosing A Long Distance Carrier

Equal access signals a new
era in American phone
service... a chance for you to
choose which long distance
company you want for 1+ long
distance calls.

Webster-Calhoun Cooperative
Telephone Association

* If you choose not to have access
to long distance service you will be
PIC'd to Webster-Calhoun Long
Distance for billing purposes and
charged \$2.00 per month for
WCCTA's toll restriction feature.

LONG DISTANCE CARRIERS AVAILABLE TO WEBSTER-CALHOUN CUSTOMERS

Webster-Calhoun Cooperative Telephone Association has Billing and Collection Agreements with Webster-Calhoun Long Distance and Iowa Network Services only. You may choose a long distance provided from those listed, however, you will receive a separate billing from the selected carrier for your Interlata and Intralata calls.

It is your responsibility to contact your chosen carrier and establish a Billing Account and/or Optional Calling Plan. Make sure and “verify” your plan/billing code to avoid future billing problems.
